

DataElementsInterface

```
classDiagram
    class DataElementsInterface
    class CellData
    CellData --|> DataElementsInterface
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "DataElementsInterface". Below it is a gray rectangular box with a black border containing the text "CellData". A blue arrow points vertically from the top of the "CellData" box to the bottom of the "DataElementsInterface" box, indicating that "CellData" implements or inherits from "DataElementsInterface".
