

DataElementsInterface

```
classDiagram
    class DataElementsInterface
    class MapData
    MapData --|> DataElementsInterface
```

A UML class diagram illustrating an inheritance relationship. At the top is a white rectangular box with a black border labeled "DataElementsInterface". Below it is a gray rectangular box with a black border labeled "MapData". A solid blue arrow points vertically from the top of the "MapData" box to the bottom of the "DataElementsInterface" box, indicating that "MapData" inherits from or implements "DataElementsInterface".
