

QObject

```
classDiagram
    class QObject
    class ManagementTemplate_Test
    ManagementTemplate_Test --|> QObject
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'QObject'. Below it is a box labeled 'ManagementTemplate_Test'. A blue arrow points from the 'ManagementTemplate_Test' box up to the 'QObject' box, indicating that 'ManagementTemplate_Test' inherits from 'QObject'.
